

CAMPAIGN

CENSORSHIP

AGAINST

THE DEFENCE OF LITERATURE AND THE ARTS SOCIETY)

PLEASE REPLY TO:-

25, Middleton Close,

Fareham,

Hants. PO14 1QN

Dear

Further to the decision of the Council meeting on 21st November, I enclose a complete set of the proofs of the aborted Uncensored 15. No other notes or correspondence are enclosed as I am anxious not to present my own or Ted Goodman's view of them at this stage.

Please would you consider and let me know whether any item included in the proofs:

- 1) is unacceptable to you personally
- 2) would, in your opinion, be unacceptable to the majority of CAC members
- 3) would, in your opinion, give a misleading impression of the aims and policies of CAC to ordinary members of the public (eg people sending for details or students doing project work).

Yours,

Mary Hayward
